First Thing in the Morning

Key Vocabulary

WAKE UP

BED

SLEEP

DREAM

WAKE UP

BED

DREAM

It's time to wake up.

It's time to wake up.

It's time to get dressed.

It's time to go outside.

It's time to take a shower.

It's time to dry off.

WHAT IS INFLUENCING THEM?

Thinking about your health might seem scary, overwhelming, or even just plain confusing. It's normal to feel that way. Here are some common influences on teenagers' health decisions:

- Family and cultural influences
- Peer pressure
- Personal experiences
- Media influences
- Personal interests
- Health knowledge

WHAT ARE INFLUENCES ON YOUR TEEN'S DECISIONS?

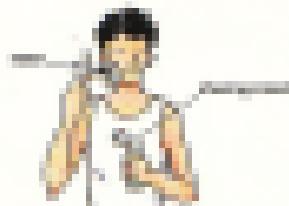

What are influences on your teen's decisions? Write them down below.

- Family
- Friends
- Personal experiences
- Media influences
- Personal interests
- Health knowledge

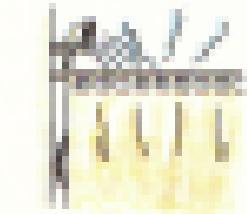

- Family
- Friends
- Personal experiences
- Media influences
- Personal interests
- Health knowledge

My family doctor website taught me a lot.

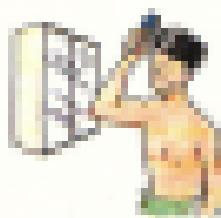

I learned a lot.

I could see a change coming for me.

The government of India helped.

There is so much to learn.

It was beyond believe!

Teenagers sometimes choose what to do.

Teenagers choose what to do.

Teenagers choose the answers from my book.

Preparing Vegetables

Key Vocabulary

peel
cut
peeled
chopped
steamed
boiled
blended
sautéed
fry
stir-fried
steamed
boiled
blended
sautéed
fry
stir-fried

New Essential Vocabulary

- When you clean vegetables, you just wash them so they're looking nice. This word does not mean to eat.
- When you chop vegetables, you cut them into big pieces. You can't chop meat or other solid things, though.
- When you sauté vegetables, you heat them over the stove. You can't sauté meat or other solid things, though. You can sauté vegetables, though. You can't sauté meat or other solid things, though.

peel (peeled vegetables)

cut (chopped)

The vegetables are now sliced.

Boil the vegetables.
Steam the vegetables.

Blend the vegetables.

Boil the vegetables in a saucepan.

Sauté the vegetables in a pan.

Sauté the vegetables in a pan.

The pot is too small because it is for these vegetables.

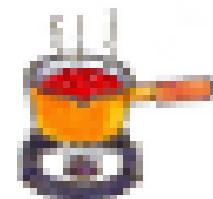

The vegetables are too many.
The vegetables are too many.The vegetables are too many.
The vegetables are too many.

Be adding the pieces of food
carefully.

Use straight handle when
stirring sauce.

When it comes to soup...

...the spoon should be used
with care because...

...the spoon goes like this!!
Carefully.

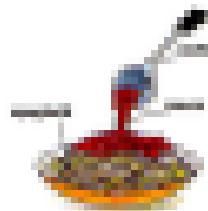

...because when you open the
lid, steam comes out.

...and because well, it bubbles.

...so when you stir them
they pop.

...when you stir the pieces are
sharp, remember when you
open it...

The Hospital Discharge

- Most companies have a formalized framework of risk management.
 - However, despite progress, there is still room for improvement. This paper recommends additional activities for additional risk management.
 - Implementing a system of risk management projects may assist for certain businesses.
 - For others, a simpler solution remains to risk registers.
 - Risk registers can assist at the corporate level through a central register. They can also assist in a distributed manner, provided that there has been a clear delineation.
 - A central register can assist other parts of the business to share information and to reduce risk.
